

# COLLEGE PLANNING

## Top 6 Action Items College Juniors Should Be Doing This School Year to Prepare!

### MONTHLY TIMELINE

#### JANUARY

Take a self-assessment and personality quiz to learn more about your interests, aptitude, and preferences for potential best fit schools and majors.

Prepare for the SAT.

#### FEBRUARY

Start building a college list based on factors like GPA, test scores, cost, size, location, selectivity, spirit, personality, and major.

#### MARCH

- Research colleges, review websites, read brochures and check out comprehensive directories.
- Attend college fairs and speak to admissions representatives.

#### APRIL

Take advantage of spring break to schedule college tours. Meet with your admissions officer, eat lunch in the cafe, and speak to students and professors

#### MAY

- Take AP exams.
- Determine which SAT subjects tests are needed
- Finish Standardized Testing.
- Prepare a Student Resume
- Narrow down college lists

#### JUNE

Request Teacher Recommendations

And, brainstorm personal essay topics to prepare for summer.
