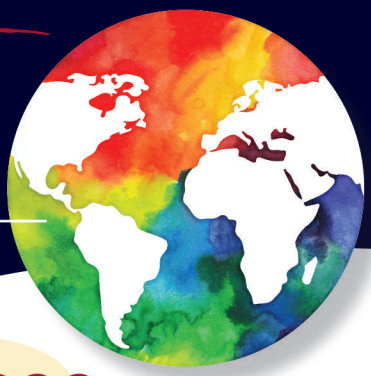
The Value of Membership

By the numbers

Join us and learn why IECA membership has been the gold standard for Independent Educational Consultants for over 40 years.



Approaching **2,000** **members**, IECA is the largest organization representing independent college counselors. Our members come from nearly every state and globally from 27 nations.

Over the past year, IECA-sponsored campus tours brought members to **62** **college campuses** across the country across the country as well as Canada and the UK.

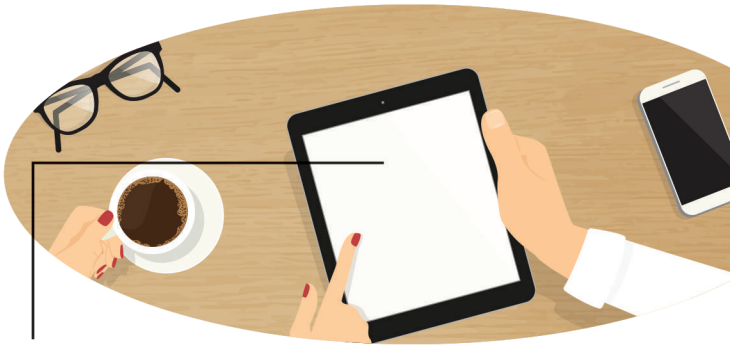
COLLEGE

This past year, more than **265** **colleges participated** in IECA national programs, including conference presentations, college showcases, symposia, discussions, and IEC college fairs.

IECA leads the way in educational programming with at least **19** **educational events** each year throughout the country, including conferences, trainings, symposia, retreats, summer institutes and webinars. Topics include college knowledge, counseling skills, admissions, small business management, and adolescent issues such as depression, anxiety, and more.



IECA believes one of our major responsibilities is to help members keep abreast of changes, research, reports and more. We can save members time and energy by getting current information in front of them. We have more than **100** timely articles, whitepapers, and research summaries in our online **member resource library**.

Now celebrating our 40th Anniversary, **IECA dues** have remained unchanged for 38 years. Can you think of the price of any other item that hasn't gone up since 1980? [1st class postage: 15¢, bread: 48¢, car $5,413, income: $11,321.]

Members have the opportunity to participate in local peer support groups. We have 42 **IECA Regional Groups**, and new groups are being formed from coast-to-coast, and in Europe, Asia and the Middle East.

IECA has 12 **professional employees** whose primary task is to help members succeed at educational consulting. We provide advice, support, and services, as well as ongoing outreach with NACAC, state and regional ACACs, CommonApp, Coalition, College Board, Council of Independent Colleges, and more.
